Our Guest Speaker is:
Robert Rickett - Missionary to Youth in Crisis

Robert grew up in the East Bay, in a low-income family with 6 other siblings. During his Senior year of High School, he lost his mother to Breast Cancer. His relationship with God helped him overcome many difficult situations in his childhood. After 10 years of running Youth and College Ministries in Santa Cruz and the Bay Area, he felt the Lord calling him to specialize his focus toward working with students in crisis. God has called Robert to use his testimony and gifting to share the hope of the Gospel with students who are hurting the worst in our neighborhoods. He is following the Lord's leading to reach students who are often marginalized by society, such as the homeless, fostered, at-risk, and refugee students.
